Vision Statement

- † To raise up strong in spirit quality disciples like John the Baptist and Paul the apostle (Luke 1:80, Ephesians 3:16, Matthew 11:12) – by liberating, strengthening and transforming disciples who will live out their destinies (Matthew 11:10, Acts 9:15, Ephesians 2:10), co-reign with Christ in life (Ephesians 2:6, Psalm 8:5-6), expand God's kingdom on earth (Habakkuk 2:14, Acts 1:8) and carry out His works of love (Preaching/Teaching – Matthew 11:1, Mark 10:1; Miracle-working – Matthew 11:2-6, Mark 1:32-34, Luke 9:1, John 14:12; Evangelism – Luke 19:10, Matthew 28:18-20; Summary Statements – Mark 12:30-31, Acts 10:38, 1 John 3:8). All this is simple Christ-likeness (Romans 8:29, Galatians 4:19).

Mission Statement

- † God has made my name as my mission, as Bruce means Liberator. Therefore, my mission is to co-labor with Christ to liberate (Luke 4:18-19), strengthen (Ephesians 3:16) and transform (2 Corinthians 3:18) disciples of Christ through Transformation Ministry and the Strong In Spirit message.
- † Believers who are liberated, strengthened and informed will be transformed disciples who will be able to rule over the spiritual world, co-reign with Christ in life and do His works on earth. Therefore the equation is – 'Liberated + Strengthened + Informed = Transformed.'
- † The purpose of Transformation Ministry is to set the Christian captives free (Isaiah 61:1-3, Matthew 18:34, Ephesians 4:27, 2 Corinthians 10:4) from the past, while the Strong In Spirit Conference helps set them free from the present. Therefore they work best together – and optimally in that order.

Planning Statement

- † To fulfill this vision and mission requires...
 1. Recruiting intercessors and encouraging intercession for God to open doors and grant access to churches and saints who are seeking to be liberated, strengthened and transformed disciples of Christ.
 2. To prayerfully select, liberate and train additional Strong In Spirit Presenters and equip the saints to carry out their own Transformation Ministry.
 3. To implement equipping and accountability structures to ensure the ongoing growth, quality and effectiveness of these ministries.
 4. To reproduce these two ministries world-wide through various means, media and messengers as God leads.
