Statement Of Faith

Having served God as a Pastor for 20 years, I believe without hesitation...

- † That the Bible is the inspired and authoritative Word of God, suitable for all doctrine, Christian life and practice.
- † That there is One God, eternally existent in three persons - Father, Son and Holy Spirit.
- † In the deity of the Lord Jesus Christ, in His virgin birth, sinless life and vicarious, atoning death through His shed blood, bodily resurrection and ascension, who will one day return to earth in power and glory.
- † That salvation is only accomplished by grace through faith in the cross of Christ through the work of the Holy Spirit.
- † In the continuing ministry of the Holy Spirit by whose indwelling and empowering the believer is enabled to live a godly life, given spiritual gifts to use for the strengthening of the body and Who is sent to re-create the person, character and mission of Jesus Christ in and through His people.
- † In the resurrection of the dead, both for those who are saved to eternity in heaven as well as for those who are sadly lost to eternity in hell.
